

- *Is the latest applicant for employment at our company the right person for the right job?*
- *Does our new apprentice have what it takes to be successful in our training program?*
- *Which incumbent worker possesses the qualities needed for career advancement at our company?*
- *Which training program is the best fit for our potential student?*

The Private Industry Council of Westmoreland/Fayette, Inc. can help you objectively answer the above questions through **SAGE**.

SAGE is the **S**ystem for **A**ssessment and **G**roup **E**valuation – a reliable, valid, non-discriminatory tool that produces quick results. When used as one part of your existing staffing or training process, SAGE can save you time and money while improving production, quality and retention.

To learn more about SAGE and the low-cost and no-cost assessment services available to you, RSVP to attend one of the scheduled group demonstrations or call to schedule an individual demonstration at your convenience.
